Assignment Guide   Chapter 7- Real Numbers   8CP 2018-2019
& Pythagorean Theorem

All math assignments must be written in pencil. All problems are assigned, unless specified as odd or even. All problems must be **COPIED** (except word problems) and have **WORK SHOWN** in order to receive credit. You are **REQUIRED** to check the **answers using the keys ONLINE**. Homework is due the next school day. Assignments may change so check the board/website every day.

Label all of your assignments so that you can find them later for an assignment check.

This is a revised assignment sheet. We will begin by reviewing Chapter 10 (again) and assessing on 11/28. We will then head into Chapter 7 as planned prior to our school closure. The trimester one reviews & benchmark were deleted in order for classes to resume as close as on schedule as possible
